

Get ready for summer with the ComEd Residential Real-Time Pricing Program

# Summer Readiness Workshops

**Join us this June to learn about managing your summer electricity costs.**

- **June 17, 7 p.m.**, Park Forest Village Hall, 350 Victory Drive, **Park Forest**
- **June 23, 6:30 p.m.**, Prisco Community Center, 150 W. Illinois Ave., **Aurora**
- **June 24, 6:30 p.m.**, Center for Neighborhood Technology, 2125 W. North Ave., **Chicago**
- **June 25, 6:30 p.m.**, Evanston Ecology Center, 2024 McCormick Blvd., **Evanston**
- **June 26, 7 p.m.**, First Congregational Church, 256 E. Chicago St., **Elgin**

Learn about low-cost and no-cost strategies for managing household electricity costs during the warm weather months, including tips specifically for ComEd Residential Real-Time Pricing Program participants. The workshops will be presented by CNT Energy, a nonprofit organization dedicated to helping people save energy and money.

Workshops are free of charge and refreshments will be provided. Space is limited, so please RSVP by calling CNT Energy at (773) 269-4037.

**We look forward to seeing you this June!**
